It's a Bummer for Guys When . . .

You go to a job interview and you can't remember your name.

You spend a dollar on a valentine card for your girlfriend and then forget to sign it.

You are about to say thank you and your mother embarrasses you and says "say thank you dear."

You have to get up in front of the class to read your story and you can't even read your writing.

You try to impress a girl by doing a burnout in your truck and you crash into a tree.

You wax your car and the paint comes off.

You're at the movies with your girlfriend and you stick your hand into your drink instead of your popcorn.

Your girlfriend can bench press 55 more pounds than you can.

It's a Bummer for Girls When . . .

You take home every book in your locker except the one you need.

"Mr. Right" asks for your phone number and you can't remember it.

You can't buy a bathing suit because you need a size 11 bottom and a size 3 top.

You don't go to school because you're sick of working and your best friend brings you your assignments.

You put money in a pop machine and then you see the out-of-order sign.

Your little brother uses your diary for a book report.

You spend 2 hours on your homework and find out you did the wrong chapter.

Your friend waits until the end of school to tell you your skirt is see-through.

The National Honor Society is a national school organization for outstanding students in grades eleven and twelve. NHS promotes enthusiasm for scholarship, worthy leadership, character development, and community service.

To be eligible for membership as a junior, the student must have a 3.25 cumulative grade point average after five semesters. A 3.00 grade point average is needed as a senior. After meeting this requirement, the student is then considered on the basis of past service, leadership qualities, and character.

The group had several activities including a Christmas dance in which the proceeds were used to purchase canned food that was donated to the American Legion Auxiliary who distributed the food locally. The group also held a spring induction and took a field trip to Rochester, MN to see the Mayo Clinic facilities.

BADGER STATE

Alt. Mike Dieckman, Mark Michaels, David Bethke, **Alt.** Vicki Tiegs, Joann Olson, **Alt.** Sherida Bornfleth, Holly Anibas.

Badger State is a program encouraging young people to get involved in government. Holly and Sherida spent a week at the U.W. Madison Campus while Mark and David spent a week at Ripon College.

During their stay they worked to establish a life-like government including offices at the state, county, and city levels. This meant belonging to political parties, giving speeches, listening to debates, voting in all elections, and attending the formal inauguration of the newly elected governor.

The delegates had a chance to listen to many interesting speakers including Governor Anthony Earl who spoke to both groups shortly after their arrival.

What better name to apply to the nine members of Mondovi's first Academic Decathlon team, which achieved one of the top three scores in qualifying competition at Thorp High School on November 12. At that contest, Mondovi joined Eau Claire Memorial and Eau Claire North to better twelve other area schools and became one of the top academic teams from among 245 schools statewide. Any school may have only one Decathlon team made up of nine members: three with an A average, three with a B average, and three with a C average. The Mondovi team is selected on the basis of achievement scores, grade point average, and faculty recommendations. The team is coached by Mrs. Virginia Everson.

BUFF MATMEN HAVE UP AND DOWN SEASON

The 1985-1986 wrestling season has been an up and down season. The team captured first in the Old Abe Invitational at the start of the season, but injuries, illness, and some poor wrestling affected its dual match competition. The team was heading into tournaments coming off some impressive wins. Coach Kirking stated that hopefully the momentum will continue through the end of the year tournaments. Individually Bill Polzer had a 18-2 record prior to conference and tournament competition. He placed first at the Old Abe Invitational and Granton Invitational and third at the Bi State Classic. Steve Polzer was 17-5, Dennis Segerstrom 12-7-1, Dan Dregney 12-11, and Jim Wulff 5-4. Bill Polzer, Steve Polzer, and Dennis Segerstrom advanced to Sectional competition.

Decorating windows, floats, hallways — school spirit was at its peak during homecoming week. Classes worked vigorously competing for the spirit stick. Enthusiasm and excitement prevailed. Various forms of dress enlightened the school week. Queen Kathy and King Chris were introduced at the skit competition. School was dismissed and the parade paved its way through the city streets. The Juniors won the Spirit Stick. The week was climaxed as the Buffs blasted Baldwin-Woodville 39-14. It will be a week to remember.

On the evenings of November 1st and 2nd, the class of 1986 performed *A Different Drummer,* by Gene McKinney. The play tells the story of a young man, Royal Barnhill, who is struggling to get out from under the shadow of his father, the Reverend Barnhill, but the community of Centertown refuses to let that happen. From his mother, Grace Barnhill, to the town gossip, Mrs. Buxley, everyone constantly reminds Royal of what a great man Rev. Barnhill was and what a long way Royal has to go to "fill his father's shoes."

Royal attempts to find his own identity with the help of Jessie Miller, a slick con man, who engineers a number of disastrous projects. Eventually, Royal learns that the only way he can truly be happy is by being himself.

Thanks to the hard work of the cast, and crew, and the help of the community, the Senior Class Play was a big success.

Hi Sweetie,
So when am I going to see
all of these people that
wanted to meet me? I
won't believe what you
said until he tells me

to my Prom next. Oh,
Remember to tell Katie
that I told her to leave
You alone or I'll kick her
ass. Remember I love You.

See Ya this weekend,

Jen ♥

Dear-
Only one more year!!
I'm still not set on what I'm doing after school. Next year will be fun not just because we're Seniors but because it's our last year. We're really going to have a great year. Thanks for being such a great friend & I hope you get better grades than I do, we can still be friends! (HA!!) Remember back in Nov. in Junior High in Madsen's room? We sat across from each other and got a lot of the same grades on tests without cheating! (What was that all about?) I guess now I can't allow us to cheat - up with you or down. (Keep up the good work!) I hope it's see ya this summer! Have a great vacation! Love,
Stacy

(P.S.) You won't be coming to school next yr for only 8 days a month. Okay?! (Right Sue!)

Hee,
Guess this looks like a good place to write. This yr. has gone by so fast its hard to believe our Junior yr. is behind us and we'll soon be Seniors! Are we going to have fun or what?! Hee, you've really been a super friend and I hope you always will be. I don't know what I'd do w/out your help - especially in Algebra II, for we all know how well Swanstrom teaches! I'm sure we'll remember his class - what do ya think? Well "Thanks" again for putting up w/all my questions + confusion! I appreciate it!
- Take Care of yourself this summer and have fun! Maybe we can hit a few parties together! Hey - with 1 yr of High School left - I believe its Party Time!

GOOD LUCK
Always!

ABFA,
Love,
Sue
